**Friday, 2<sup>nd</sup> May 2025**

**SWS/ACD/2025-26/15**

Dear Parent

Greetings from Smart Wonders!

We are delighted to announce a special celebration on Mother's Day on Saturday, 10<sup>th</sup> May 2025 with a unique and meaningful theme – "Sustainable Style: Jewellery with a Purpose."

As we honour the love, strength and creativity of all mothers, we also aim to promote environmental awareness through this event. All participating mothers are invited to design and create a piece of jewellery using waste or recycled materials available at home. It could include old fabric, paper, beads, plastic, metal scraps, buttons, or any other eco-friendly materials.

On the day of the celebration, mothers will showcase their creations by wearing their handmade jewellery and walking the ramp as brand ambassadors of the power that mothers have, to create, sustain and heal.

This activity is not only a tribute to motherhood but also a celebration of creativity, sustainability, and style.

The celebration also aims at ensuring that the Nurturers have a great time together as they enjoy games, dance and participate in various activities.

We request all mothers to participate and make this event memorable!

**Let's come together to celebrate Mother's Day with love and responsibility for our planet.**

**Warm regards**
