Dear Parent

Warm greetings from Smart Wonders!

We extend our heartfelt thanks for your valuable feedback shared through the Parent-Teacher Meeting (PTM) forms. Your suggestions play a vital role in helping us create a more enriching and balanced environment for our students.

In consideration of the feedback received, we are pleased to inform you of the following changes, effective from Tuesday, 1st July 2025

1. **Increase in Sports Periods:** The number of sports periods has been increased to two per week, providing students with greater opportunities for physical activity and overall well-being.
2. **Revised Break Time:** The school break will now be held at 11:10 AM, allowing students an improved and more suitable schedule during the school day.
3. We are excited to introduce Friday Fun-day, a special day dedicated to joyful, hands-on learning! Every Friday, students will come together to participate in collaborative and integrated activities designed to spark curiosity, build connections across subjects, and enhance their overall learning experience. This initiative aims to blend academic concepts with real-life applications in a playful and engaging manner, making learning both meaningful and memorable.

We believe these changes will contribute positively to the holistic development of our students. We sincerely thank you for your continued support and partnership in your child's education.

Warm regards

Ruchika
