Dear Parent

Warm greetings from Smart Wonders!

In our continuous efforts to ensure the well-being and comfort of our students, we seek your kind cooperation on a few important matters:

1. Bag Packing as per Timetable

Kindly ensure that your child packs their school bag strictly according to the timetable for the day. Our teachers are guiding the children to carry only the required notebooks, while all other books are safely stored in their cubby holes to help maintain light school bags.

2. Avoid Heavy and Bulky Items

We also request you to kindly refrain from sending fancy or oversized tiffin boxes, large pencil boxes, and school bags with wheels, as these significantly add to the weight and make it difficult for young children to manage.

3. Safe Drop –off

Parent to ensure your vehicle (two-wheeler or car) stops at the designated and safest spot for drop-off. The bag to be placed where the child is able to wear and get down safely to prevent any mishap for parents dropping their children by car, we request that the child wear their school bag before getting down. This small step helps in maintaining a smooth and efficient flow of traffic during arrival time.

We truly appreciate your support in following these guidelines to ensure a safe, organized, and child-friendly school environment.

Warm regards

Ruchika
