SWS/ACD/2025-26/38

Dear Parent

Warm greetings from Smart Wonders!

As part of our ongoing efforts to instill environmental consciousness and creative expression in our students, we are excited to introduce the “Tree Tales with Handkerchief Printing” activity on Friday, 18th July 2025.

This engaging initiative aims to create awareness about the importance of saving trees while giving children a chance to showcase their creativity. Through storytelling, discussions, and hands-on art, students will explore the significance of trees in our lives and express their learning through eco-themed handkerchief.

We request your support in sending a plain white handkerchief with your ward by so they can participate enthusiastically in this creative and meaningful experience.

Let's come together to nurture young minds and build a greener, kinder future

Warm regards

Ruchika
