Dear Parent

Warm greetings from Smart Wonders!

We are delighted to announce that we are organizing a special event titled “Green Glamour Runway” – a creative and fun-filled sustainable fashion show for our Foundation Years students on Thursday, 24th July 2025.

This unique event aims to:

- Promote environmental awareness among young learners.
- Encourage creativity through recycled and eco-friendly fashion.
- Foster confidence and self-expression in our students.

Guidelines for Participation:

- Parents are encouraged to create outfits using recycled, reusable, or natural materials (e.g., newspaper, cardboard, leaves, old clothes, etc.). They should ensure the child is involved in the creative process.
- Each participant will walk the runway and briefly describe their outfit or the materials used (with teacher assistance if needed).

We believe that such activities instill in children a sense of responsibility toward nature while also giving them a platform to showcase their talents.

Let's come together to make this event a grand success and take a step toward a greener future!

Warm regards

Ruchika
