Dear Parent

Warm greetings from Smart Wonders!

As part of our ongoing efforts to promote reading habits and a love for books among our young learners, we have a dedicated Class Library Period every week in the Foundation Years.

We request you to kindly send a story book or any book of your child's choice (age-appropriate and preferably hardcover) with them for this session on Monday, 14<sup>th</sup> July 2025. These books will be exchanged among peers once read, allowing children to explore a variety of stories and enhance their reading and comprehension skills in a fun and engaging way.

This activity will not only build their vocabulary but also help inculcate the values of sharing, responsibility, and taking care of books. Kindly ensure that the book is labelled with your child's name.

We look forward to your support in nurturing lifelong readers!

**Warm regards**
