Dear Parent

Warm greetings from Smart Wonders!

On the eve of Hindi Diwas, we are delighted to inform you that the Foundation Years are organizing a Hindi Poetry Recitation Activity – **“Chhote Kavi, Badi Kalpnaay”** on Friday 12th September 2025.

The aim of this event is to encourage our young learners to express themselves confidently in Hindi, while also developing a deeper love and respect for our national language. Poetry not only nurtures creativity and imagination but also helps children enhance their vocabulary, pronunciation, and fluency in Hindi.

We request you to kindly guide your child in preparing a short Hindi poem for recitation. This will provide them with an opportunity to showcase their imagination and oratory skills while strengthening their command over the language.

Let us work together to instill pride in our children for the richness of Hindi and inspire them to use it more in their daily conversations.

We look forward to your wholehearted support in making this initiative a success.

Warm regards

Ruchika
