Dear Parent

Warm greetings from Smart Wonders!

We are pleased to inform you that the school is organising a Planetarium Show on Saturday, 4th October 2025 within the school premises for the students of Classes 3-5

This engaging session will provide students with an opportunity to explore and learn about the universe, planets, stars and other celestial bodies in an interactive way, aligned with their class curriculum. It will be a valuable experience that combines fun with learning and will help deepen their understanding of EVS and Science concepts.

You are kindly requested to send an amount of ₹250 with your ward, as this programme is being arranged for the entire class.

We look forward to your cooperation in making this event a meaningful and enriching experience for our students.

Warm regards
