Dear Parent

Greetings from Smart Wonders!

We are excited to share that the school will be celebrating Children's Day with great enthusiasm on Friday, 14<sup>th</sup> November 2025. A range of fun and engaging activities have been planned for the students to celebrate the spirit of childhood and make the day memorable.

We will also be hosting our Halloween celebrations on the same day. Children are welcome to come dressed in their Halloween costumes and enjoy a cheerful round of trick and treat with their peers. Kindly send party tiffin and a tetra pack of juice.

We look forward to a joyful day filled with laughter, creativity and celebration.

**Warm regards**
