

SMART WONDERS SCHOOL
Remedial Classes UKG to 2

Thursday, 27th November 2025

SWS/ACD/2025-26/124

Dear Parent

Greetings from Smart Wonders!

As part of our continuous effort to support every child's learning journey, we will be having Remedial Classes for selected students in the Foundation Years. These sessions aim to reinforce key concepts and skills, helping students reach the expected grade-level benchmarks.

The remedial program has been designed based on ongoing classroom observations and assessments. Our educators will provide focused attention through engaging and personalized strategies to strengthen foundational learning in core areas.

The classes will be held on **Saturday, 29th November 2025 from 9:30 a.m. to 11:30 a.m.** The class educator will inform the selected students.

Note: - School transport facility will not be available for the remedial classes.

We appreciate your support in partnering with us to ensure the academic growth and confidence of our young learners.

Warm regards

Ruchika Sharma
Principal
