

SMART WONDERS SCHOOL
Parking Instructions
Class UKG to 2

Monday, 3rd October 2025

SWS/ACD/2025-26/99

Dear Parent

Greetings from Smart Wonders!

This is to inform you that due to the **Annual Function of Classes UKG to Class 2**, the **parking facility near the school premises will be limited** on the following days:

- **6th November 2025** – Practice Day
- **7th November 2025** – Annual Function
- **8th November 2025** – Annual Function

Along with the limited parking available within and around the school premises, parents are **requested to use the parking area of Sector 71 Market (opposite Police Station)** for convenience.

While parking your vehicles, kindly ensure that:

- No vehicle should block the gates of residential buildings.
- Sufficient space is left for smooth movement of local traffic.
- Wherever possible, parents are encouraged to **pool vehicles** to help reduce congestion.

Please note that the **parking staff will guide and manage vehicles** as per the space available near the school building. Any additional vehicles will need to be parked in the **Sector 71 Market parking area**.

Your cooperation in ensuring a smooth and organized event is highly appreciated.

Warm regards

Ruchika
