Dear Parent

Warm greetings from Smart Wonders!

We are delighted to share that the Foundation Years will joyfully celebrate Christmas with a special theme, “**Mistletoe Magic**” on **Tuesday 23rd December 2025**. This enchanting celebration is thoughtfully designed to immerse our young learners in the spirit of love, kindness, sharing and togetherness that defines this beautiful season.

The event will include:

- **Special Assembly**
- **Fun games and activities**
- **Christmas-themed art and craft**
- **Santa’s special visit with surprises**

- **Dress Code:** Students are encouraged to come dressed in festive attire (red, green, or white).
- **It will be a No Bag Day on Tuesday, 23rd December 2025**
- To inculcate the spirit of sharing and caring the students will get party tiffin to share with their friends.
- We have planned a **Secret Santa** and parents are requested to send a gift item worth Rs 50 neatly labelled with their ward’s name to their class teacher positively by **Monday, 19th December 2025**.

We look forward to your continued support as we make this celebration a magical, meaningful and memorable experience for our little ones.

Warm regards

Ruchika
