# SMART WONDERS SCHOOL
## Instructions for Online Classes
## Classes UKG to IX

Dear Parent

Greetings from Smart Wonders!

Please note the instructions for the Google classroom.

**System Instructions: Google Classroom**

**For LAPTOP / DESKTOP users :**

Sign in to Google Classroom

1. Go to classroom.google.com
2. sign in with your ward school account :
   user id :s-AdmissionNumber@smartwonderschool.com
   if your admission no. is : s-9999 then your id will be :
   s-9999@smartwonderschool.com
   after that asking for password. Please put your password (Your password will be combination of your ward first name and admission number)
   e.g. your ward name is xyz and password is s-9999 then password will be xyz@9999
3. On the welcome screen, join the your ward class choose I'm a Student (if asked) → Get started.
4. Click on Join or video camera icon on right side of your screen (Google meet tab will open) Allow Microphone and camera and click on Join now, after that you will enter in the online class.

**For MOBILE users :**

Kindly install two applications on your mobile i.e.

1. Google Classroom
2. Google Meet
   1. Open the Classroom app → Get started.
   2. And tap your profile setting i.e. tap on right side circle and tap on add another account and sign in with your ward school account :
      user id :s-AdmissionNumber@smartwonderschool.com
      if your admission no. is : s-9999 then your id will be :
      s-9999@smartwonderschool.com
      after that asking for password. Please put your password (Your password will be combination of your ward first name and admission number)
      e.g. your ward name is xyz and password is s-9999 then password will be xyz@9999

3. On the welcome screen, join your ward class choose I'm a Student (if asked) → Get started.
   After that Open Google Meet App and tap on right side circle and select your ward official ID (user id :s-AdmissionNumber@smartwonderschool.com
   if your admission no. is : s-9999 then your id will be :
   s-9999@smartwonderschool.com)
   Again open Google Classroom app and Click on video camera icon on right side of your screen the Google meet app will automatically open and click join after that you will enter in the online class.

**Warm regards**
