Dear Parent

Greetings from Smart Wonders!

We are delighted to announce that the school will remain be functional till **Friday,13th March 2026**, following the completion of final examinations. A specially curated enrichment program for each class **III to VIII** has been designed for students from **Tuesday ,3rd March 2026 to Friday,13th March 2026** to foster holistic development and joyful learning beyond academics.

This will be an excellent opportunity for all children if classes **III to VIII** to explore their interests, develop new skills, and remain productively engaged in a vibrant learning environment.

The two-week program will feature the following activities:

Creative Arts & Music

- Visual arts workshops including painting, sketching, and craft-making
- Music sessions covering vocal training, instrumental practice, and appreciation of diverse genres
- Drama and theatre activities to build confidence and creativity

Sports & Physical Wellness

- Football, Basketball, Table tennis, Chess, Taekwondo
- Yoga and fitness sessions promoting physical and mental well-being
- Team-building activities and outdoor adventure experiences

Intellectual Development

- Model United Nations (MUN) sessions to enhance public speaking and global awareness
- Debate competitions fostering critical thinking and articulation skills
- STEM workshops featuring hands-on science experiments

Experiential Learning

- Educational field trips to museums, science centers, and cultural landmarks
- Career awareness sessions and interaction with professionals
- Life skills workshops including financial literacy and communication skills

This comprehensive program aims to nurture creativity, teamwork, and critical thinking while keeping students meaningfully engaged during the post-examination period.

The enrichment activities will conclude on **Friday,13th March 2026**, followed by the Parent-Teacher Meeting on **Saturday,14th March 2026**.

A detailed schedule of activities and timings will be shared shortly.

Warm Regards
