SWS/ACD/2026-27/12

Dear Parent

Greetings from Smart Wonders!

The homework schedule for the Primary Wing at Smart Wonders School is designed to transform after-school tasks into a journey of discovery. By moving away from repetitive drills, we ensure that every assignment sparks curiosity and maintains a healthy balance between academic growth and personal well-being. A carefully curated schedule distributes tasks across subjects so students are never overwhelmed by a single area. Tasks are designed to be interactive, encouraging students to explore the "why" and "how" behind their lessons. The following schedule is followed to ensure a structured yet flexible routine for our young learners:
