

## PA-1 DATE SHEET (CLASSES 3 to 10)

Monday, 20<sup>th</sup> April 2026

SWS/ACD/2026-27/13

Dear Parent  
Greetings from Smart Wonders!

As we embark on a new academic session, we extend our heartfelt gratitude for your continued partnership. Your trust enables us to nurture a vibrant learning environment where every child experience holistic growth.

In our ongoing pursuit of academic excellence, we are committed to a continuous and meaningful assessment framework. This approach allows us to monitor progress steadily, identify learning opportunities early, and provide timely feedback—moving beyond the traditional reliance on year-end examinations. By doing so, we aim to empower our children with a clear understanding of their strengths and areas for development, fostering both a growth mindset and lasting confidence.

In line with this philosophy, we are pleased to share the schedule and syllabus for the first Periodic Assessment (PA - I) of the session.

Please note that the school will adhere to regular timings throughout the assessment period.
