

## ONLINE CLASSES – CLASS 10

Thursday, 23<sup>rd</sup> April 2026

SWS/ACD/2026-27/17

Dear Parent

Greetings from Smart Wonders!

With a view to further strengthening our Class X students' academic readiness for the upcoming Board Examinations, the school has planned a series of focused online classes. These sessions are meticulously designed to ensure timely completion of the portions and provide students with a valuable head start in their preparations.

The online classes will be conducted from **Monday, June 1<sup>st</sup> 2026 to Friday, June 5<sup>th</sup> 2026 daily from 8:00 a.m. to 2:10 p.m.**

These sessions will offer crucial opportunities and significant benefits for your child, including early doubt resolution, a disciplined study routine, deeper conceptual understanding, and more efficient revision.

### **Please take note of the following important points:**

- The content covered during these online classes is for the direct benefit of the students and will be instrumental in their overall understanding. While these topics will be strengthened during subsequent revisions, they will not be re-taught from scratch.
- **Attendance during these online sessions is compulsory for all students.**
- Students are expected to join the classes wearing their school uniform.
- Students are expected to keep their cameras switched on while attending online classes to facilitate better engagement and interaction.

We believe these focused online sessions will significantly contribute to your child's preparation, confidence, and ultimate success in the Board Examinations.

Thank you for your continued cooperation and support in your child's educational journey.

**Warm Regards**

**Ruchika Sharma**  
**Principal**
