SWS/ACD/2026-27/23

Dear Parent

Greetings from Smart Wonders!

This is to inform you regarding the option of Advanced Mathematics and Advanced Science for students of Class 9 for the academic session 2026-27.

As per the CBSE Secondary School Curriculum 2026-27, Class IX, Science and Mathematics will be offered at the Standard/Proficiency level for all students, with an additional Advanced level option for interested students.

Parents may refer to the official CBSE curriculum document shared below for detailed syllabus and related information:

### 1. Mathematics at Advanced Level

As per the latest information received from CBSE, students will appear for the regular 3-hour examination in Mathematics and Science. Students who opt for Advanced Mathematics and/or Advanced Science will additionally appear for a 1-hour examination of 25 marks for the Advanced Level.

For the Advanced Level examination, no separate marks will be reflected on the marksheet. However, students securing 50% or above in the Advanced Level paper will receive a separate remark/line on the marksheet indicating that the student has successfully cleared the Advanced Level examination.

Saturday classes for students opting for Advanced Mathematics and/or Advanced Science will commence from July 2026.

The parent consent form for the same will be shared in the upcoming week.

Warm Regards
