

IMPORTANCE OF REGULAR ATTENDANCE – UKG TO CLASS- 10

Tuesday, 12th May 2026

SWS/ACD/2026-27/28

Dear Parent

Greetings from Smart Wonders!

Regular attendance plays a vital role in the academic success, discipline, and overall personality development of every child. Consistent participation in classroom activities helps students understand concepts better, develop confidence, improve communication skills, and stay connected with their learning environment.

We would like to emphasize that frequent absenteeism affects not only academic progress but also classroom participation, assessments, practical activities, and co-curricular learning experiences. Students who attend school regularly are more likely to perform well academically and develop positive habits such as punctuality, responsibility, and teamwork.

Parents are therefore requested to ensure that their ward attends school regularly and reaches school on time each day. Leave should be availed only in case of genuine medical or unavoidable emergencies. In case of absence, kindly inform the class teacher and submit a leave application along with supporting documents, if required.

Your cooperation and support in maintaining regular attendance will greatly contribute to your child's growth and success.

Warm Regards

Ruchika Sharma
Principal
