TINY TORCHBEARERS
CLASSES UKG TO 2

Thursday, 14th May 2026 **SWS/ACD/2026-27/32**

Dear Parent

Greetings from Smart Wonders!

In our constant endeavour to nurture the confidence, creativity, and expression of our students, we at Smart Wonders School provide various platforms where children can come forward and share their thoughts with confidence.

As part of our upcoming event, *"**Tiny Torch Bearers**"*, the children will participate in a role play on famous leaders from different fields on **Friday, 22nd May 2026**. We request you to kindly help your child prepare 3–4 lines about the personality they will portray along with a simple prop.

Children may choose leaders from any field such as freedom fighters, scientists, sports personalities, social leaders or environmentalist.

We look forward to seeing our little leaders shine with confidence, expression and creativity.

Thank you for your continued cooperation and support.

Warm Regards

Ruchika
