and Igniting Passion for Knowledge.

From The PRINCIPAL'S DESK

Innovators Ignited is not just an event; it is a mindset. It encourages you to dream big, think creatively, and believe in your ability to bring change through ideas and innovation. Every question you ask and every experiment you try brings you one step closer to discovery. Do not be afraid of failure-it is the first step towards success. Be curious, be confident, and be courageous. Let this platform ignite your passion for learning and inspire you to become problem-solvers and leaders of tomorrow.

Warm Regards

Ruchika Sharma

Principal

Achievers

Little Stars Shine Bright

Our students have demonstrated exceptional excellence across all olympiad disciplines, securing multiple gold, silver, and bronze medals in Mathematics, Science and English Olympiads. Their outstanding performance reflects years of dedicated preparation and mastery of advanced concepts, earning them well-deserved recognition and certificates of achievement that underscore their academic prowess.

Foundation Years

Athletes in Action

Smart Wonders School, Mohali, hosted its Annual Sports Day for the Foundation Years, “Athletes in Action,” on 7th February 2026, amidst great enthusiasm, energy, and camaraderie. The event was formally declared open by the Principal, who released balloons into the clear blue sky, symbolising hope, unity, and the true spirit of sportsmanship. The young participants reaffirmed their pledge to uphold integrity, discipline, and fair play throughout the games. As the day unfolded, spectators were treated to a vibrant and joyful display of athletic activities.

The highlights of the Sports Day included the 50 m and 80 m flat races, along with a variety of fun-filled races that enthralled the audience. The students of the Foundation Years showcased remarkable skills, agility, and confidence, winning hearts with their enthusiasm and sporting spirit. The event concluded successfully with a prize distribution ceremony.

Brain Buzz

A Quiz Competition

Brain Buzz, an exciting quiz competition, was conducted for Grade 1. They were divided into teams, creating a spirit of teamwork and healthy competition. The quiz was presented through an engaging PowerPoint presentation, which made the session interactive and visually appealing for the young learners. There were three rounds in the competition. The questions covered subjects like English, Mathematics, and General Knowledge, helping students recall and apply what they had learned in class.

The final round added extra excitement as participants answered rapid questions with great confidence and enthusiasm. The event not only enhanced their knowledge but also boosted their confidence and speaking skills.

Basant Panchami

Welcoming spring with knowledge and joy

The students of a Smart Wonders School recently celebrated Basant Panchami with a vibrant and heartwarming school assembly on 4th February 2026. The event began with a prayer, where the young children offered their heartfelt prayers, seeking blessings for wisdom, knowledge, and prosperity-values closely associated with the festival. The significance of Basant Panchami was then shared with the audience, as the students explained that the festival marks the arrival of spring, symbolizing new beginnings and growth. They also highlighted that Basant Panchami is dedicated to Goddess Saraswati, the goddess of knowledge, learning, and the arts, and is celebrated by wearing yellow clothes, flying kites, and offering prayers to seek divine blessings.

The assembly continued with a series of cheerful poems performed by the students, celebrating the beauty and vibrancy of the spring season. Their lively recitations of poems about blooming flowers and bright sunshine filled the air with joy, setting the perfect tone for the occasion. The highlight of the event was the Saraswati Vandana

Educational Visit

Learning beyond classrooms

As part of its ongoing Enrichment Programme, students of Smart Wonders School visited The Tribune, Chandigarh, on 16 February 2026 for an educational excursion designed to provide practical exposure to the field of journalism and media.

During the visit, the editorial and administrative staff conducted an engaging session explaining the history of The Tribune, the newspaper's working process, and the roles performed by various team members involved in news gathering, editing, and publication. Students were later taken to the printing section, where they observed the functioning of large-scale printing machines and gained first-hand insight into how news is transformed into printed newspapers.

The interactive session sparked keen interest among the students, who actively participated by asking thoughtful questions and engaging enthusiastically with the resource persons. The visit concluded on a pleasant note with refreshments provided to the participants.

The educational visit proved to be highly informative and enriching, enabling students to connect classroom learning with real-world media practices. Such initiatives under the school's enrichment programme reflect Smart Wonders School's commitment to experiential learning and holistic education.

Parent Orientation

Building Bridges Between Home and School

Smart Wonders School organized a Parent Orientation Programme for the academic session 2026–27, outlining key academic and administrative plans for the year ahead.

The Principal, Ms Ruchika Sharma, presented a comprehensive overview of school timings, the academic calendar, and the structured assessment system aligned with CBSE guidelines. She highlighted periodic assessments, pre-board examinations, transport arrangements with GPS-enabled buses and CCTV surveillance, and emphasized the importance of using official communication channels such as SchoolPad, email, and SMS alerts for seamless coordination.

The session was concluded by sharing practical parenting tips, encouraging consistent routines, positive reinforcement, and balanced support to nurture both academic excellence and emotional well-being.

The programme reinforced the school's commitment to a strong parent-school partnership and holistic student development

Voices That Inspire

As part of its Enrichment Programme, Smart Wonders School, Mohali, organised an inspiring Young Speakers Talk Workshop for Class 9 students on 17 February 2026. The session aimed to help students discover their inner strengths, build confidence, and reflect on their purpose in life.

The workshop was led by motivational speaker Mr. Dheeraj Datta, a record holder in the India and Asia Book of Records, Josh Talks speaker, and former President of Chandigarh Toastmasters Club. Speaking on the theme “Awaken Your Inner Power: Passion, Purpose, and the Science of Manifestation,” he encouraged students to overcome limiting beliefs, make mindful choices, and cultivate positivity and gratitude.

Students actively participated and engaged enthusiastically throughout the session, making it an enriching learning experience. The school reiterated its commitment to holistic development by providing meaningful exposure through such interactive enrichment initiative.
