April 2026 Edition

Presented by

# Proud Wonderites

Fostering Lifelong Learners, Building Character  
and Igniting Passion for Knowledge.

## From The PRINCIPAL'S DESK

Bright futures begin with strong foundations. At SWS, we plant the seeds of knowledge, nurture essential skills and inspire our children to dream big.

Every child's growth starts with a strong learning foundation. At SWS, we go beyond textbooks nurturing curiosity, critical thinking, and creativity. Our goal is to help each student build not just knowledge, but the courage and skills to explore, ask questions, and create. Today's strong start is tomorrow's success.

Embrace this new beginning with hope and determination. This is just the start of your amazing journey. All the very best!

Warm Regards

**Ruchika Sharma**  
Principal

## Welcome Back, Little Learners!

Foundation Years at SWS begins with a joyful Induction Day packed with activities

The beginning of the session in the Foundation Years at Smart Wonders School was marked with smiles, excitement, and endless curiosity. Our youngest learners were welcomed back with a vibrant Induction Day — a thoughtful blend of fun activities designed to ease them into school life while igniting their love for learning.

# Where Exploration, Discovery and Creation Begin

## ‘Earth is the only thing we have in common’

Earth Day is celebrated globally on 22nd of April every year. It is marked to raise awareness about protecting the environment and preventing pollution, deforestation etc. In an endeavour to sensitize students, the children of class 2 conducted an assembly on **‘Save Earth, Save Home.’**

The little ones spoke about the importance of ‘Reduce, Recycle and Reuse’. They recited poems highlighting the need for conserving and nurturing nature. The students also presented a mesmerizing act dedicated to mother Earth. They took a pledge to say ‘No to Polythene Bags’ and use only eco-friendly products

### **See It, Hear It, Feel It**

Students of Class 1 enthusiastically explored the five sense organs through an engaging Station Activity conducted in the classroom. Different stations were set up for Sight, Hearing, Smell, Taste, and Touch, where children participated in simple, hands-on tasks. This activity encouraged experiential learning, helping students connect concepts to real-life experiences. It enhanced their observation skills, sensory awareness and curiosity, making learning both meaningful and enjoyable.

### **Little Hands, Big Lessons in cleanliness**

Our students enthusiastically participated in a Handwash Activity to learn the importance of personal hygiene and cleanliness. Through a practical demonstration, they understood the correct steps of handwashing and how it helps prevent germs and diseases. The activity encouraged healthy habits and awareness about staying clean and safe. Students actively enjoyed the session and pledged to maintain good hygiene every day.

## Nurturing Curiosity through Wonder Time

Wonder Time – Ask, Explore, Create : Our signature Wonder Time activity gives children a free space to ask “why” and “how.” Whether it’s observing how a magnet attracts or building a tower with blocks and watching it fall, every moment becomes an opportunity to discover and create something new.

Students participated in an engaging Even and Odd Numbers Activity to strengthen their understanding of basic mathematics concepts. Through fun games and interactive tasks, they learned to identify and differentiate between even and odd numbers. The activity made learning enjoyable and helped improve their observation and counting skills. Students enthusiastically took part and confidently sorted numbers into the correct categories.

## Learning Human Anatomy the Fun Way

**“Take care of your body, It’s the only place you have to live.”**

In a delightful blend of education and creativity, Grade 2 students at Smart Wonders recently participated in an engaging skeleton making activity designed to teach them about the human body. This hands-on activity aimed to introduce young learners to the basics of human anatomy in a fun and memorable way. They discovered how bones support the body, protect vital organs, and facilitate movement. This activity was a fantastic opportunity for our students to learn about their bodies in a hands-on way.

## Back to Books and Beyond

April brought a fresh start as SWS opened its doors for the new academic session. From Foundation Years to senior classes, students returned with renewed energy and big dreams. Each day now holds the promise of discovery, creativity, and achievement. Here's to a year of meaningful learning and memorable moments at SWS.

# Class 5 Welcomes Baisakhi with Heart

On the occasion of Baisakhi, the students of Class 5 B presented a special assembly. The event began with an inspiring introduction by the presenters, highlighting the significance of Baisakhi A festival of harvest, gratitude and new beginnings.

The assembly commenced with a prayer, followed by a thought of the day emphasizing respect for farmers. Students shared news updates and interesting facts about the festival and engaged in a lively conversation about its cultural importance.

## Building Safety Awareness at SWS

Smart Wonders School organized an informative session on 'Safe Touch and Unsafe Touch' to empower students with awareness and confidence. Through interactive discussions, stories, and examples, children learned to recognize safe and unsafe touch and the importance of speaking up. The session emphasized body safety, trusted adults, and saying 'No' when uncomfortable. It was a vital step in building a safe, informed, and secure environment for our young learners.

## Goals, Baskets and Team Work

The students of Class X showcased remarkable enthusiasm and sportsmanship during the inter-house football and basketball matches held on 13th April and 20th April. Participants from all four houses-Oak, Maple, Aspen, and Cedar-competed with great energy and determination. The matches were engaging and closely contested, reflecting strong teamwork, coordination and a true sporting spirit among the students.

After a series of exciting rounds, the final standings were declared. Cedar House secured the first position, followed by Maple House in second place, while Oak House claimed the third position.

The event proved to be a wonderful platform for students to display their athletic skills while learning the values of discipline, perseverance, and healthy competition. It was indeed a memorable and enriching experience for all.

# Exposure to Opportunities

## Career Orientation for Class 10

Class X students visited Manav Mangal School, Phase 10, Mohali to attend an orientation programme and career workshop. The visit aimed to provide exposure to diverse career options and emerging fields. Various startups and representatives from higher education institutions had set up stalls, where they shared information about their initiatives, courses, and career pathways. Students interacted with experts and learned about fields such as technology, entrepreneurship, and skill-based careers, along with details on admissions and future prospects.

The workshop was informative and engaging, helping students gain clarity about different career opportunities and encouraging them to make informed choices for their future.

# Turn The Page

## Book Week Magic at SWS

Book Week at SWS turned our campus into a world of stories and imagination. Students explored new genres through read-aloud, character dress-ups, and storytelling sessions. The week celebrated the joy of reading while nurturing creativity and expression. It was a magical reminder that every book opens the door to a new adventure.

# Colours of Creativity

**Our Young Artists Turned Blank Canvases into Brilliant Stories  
at On-the-Spot Painting Competition**

Abhiroop Singh Arora & Asreet Kaur demonstrated exceptional artistic talent and creativity at the "On the Spot Painting Competition" hosted by The New Public School, Chandigarh, in association with Rotary Chandigarh Central on April 25, 2026. Representing Smart Wonders School on Water Resource Day, both the students competed against talented peers and successfully secured a distinguished prize in their respective category. This achievement not only highlights the individual skill with the brush but also brings great pride to our school community

**SWS Smashes to Silver**

On 25 April, Riddhima Singh of class 6-C delivered a stellar performance at the Open Tennis Tournament held at Shishu Niketan School, Sector 66, Mohali. Competing against a tough field of participants from prestigious academies across Chandigarh, Panchkula, Mohali, and Patiala, Riddhima showcased remarkable grit and technical skill to reach the championship round. The final match was the highlight of the day—a high-stakes encounter that pushed both players to their limits, culminating in a

nail - biting tie - breaker. Although Riddhima narrowly missed the top spot with a final tie-breaker score of 7-9, her tenacity earned her the 2nd prize, along with a certificate of merit and a cash award of 1,100/-. Her achievement stands as a proud moment for her class and a testament to her rising potential in the sport.

**SWS Scholar Shines Regionally and Nationally**

Abhiroop Singh Arora of class 6-B has demonstrated exceptional academic prowess by securing prestigious accolades on both regional and national levels. He has been awarded the Academic Excellence Scholarship from the Science Olympiad Foundation (SOF) for two consecutive years, covering 2024-25 and 2025-26, highlighting his consistent dedication to his studies. Furthermore, Abhiroop distinguished himself in environmental sciences by emerging as the top scorer in the Green Olympiad from the Punjab Region for the year 2025. These significant achievements reflect his hard work and continue to bring great pride to his mentors and the school community.

A Proud Moment for Wonderites

## Congratulations!

THE MANAGEMENT OF SMART WONDERS SCHOOL, MOHALI, PROUDLY COMMEMORATES ANOTHER YEAR OF

### EXCEPTIONAL ACADEMIC EXCELLENCE

A TESTAMENT TO THE SCHOOL'S ENDURING COMMITMENT TO QUALITY EDUCATION IN THE CBSE CLASS X BOARD EXAMINATION (2025-26) REAFFIRMING ITS LEGACY OF CONSISTENCY, DEDICATION AND OUTSTANDING ACHIEVEMENT.

Rishita Bhardwaj

Our achievement reflects the dedication, discipline, and consistent effort we have put into our studies. Growing from Small Wonders to Smart Wonders has been a truly enriching journey, shaped by collective support, motivation, and shared goals with our classmates and the entire school community. We are truly grateful to our school for providing us with excellent guidance, inspiring teachers, and a nurturing environment that helped us all grow and strive for excellence together.

Vardhan Narang

**98 %**

From my early years in Class 1 to graduating in Class 10, Smart Wonders School has been the foundation of my growth. The school provided me with opportunities beyond academics that enhanced my confidence and overall personality. It has truly nurtured me into a confident, competent, and caring individual, prepared for the future.

Swastika Chawla

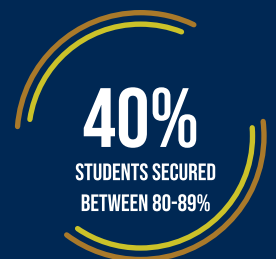

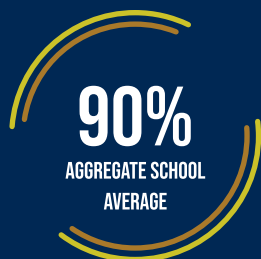

**97.40 %**

My journey from Small Wonders to Smart Wonders School has been truly enriching and transformative. Learning through advanced IT integration, modern technology, and world-class infrastructure has made every experience engaging and future-ready. Smart classrooms, digital tools, and experiential learning have not only strengthened my understanding of concepts but also equipped me with critical thinking and problem-solving essential for my future academic and career success.

Raghav Gupta

As the School Ambassador, my journey from Small Wonders to Smart Wonders reflects a path of growth, leadership, and self-development. The school has provided me with meaningful opportunities to lead and collaborate, helping me evolve into a responsible and confident individual. Through academics and beyond, I have cultivated key leadership skills such as empathy, discipline, teamwork, and the ability to inspire and guide others.
