Dear Parent

Greetings from Smart Wonders!

As our little learners get ready to step into their summer break, we are excited to make their last day before vacation extra joyful and memorable with a **Summer Fest on Friday, 29<sup>th</sup> May 2026. It will be a No Bag Day for students.** Our educators have thoughtfully planned a day filled with fun and excitement, including movie time, fireless cooking activity and a yummy ice cream treat to end the day on a sweet note.

To make the fireless cooking activity enjoyable, kindly send the following items with your child:

- A small packet of Monaco biscuits
- Cheese cubes or grated cottage cheese
- Diced cucumber/tomatoes/ boiled potatoes
- Toppings of your choice mint chutney/sauce

Students may come dressed in summer breezy casuals along with their summer shades to add to the festive spirit.

We look forward to a day full of smiles, laughter and wonderful memories for our young learners!

Note: In case you do not wish your ward to have the ice cream treat, kindly write a note in the school diary to inform the class educator.

**Warm Regards**
