

ADVANCED MATHEMATICS & SCIENCE CLASSES CLASS -9

Thursday, 2nd July 2026

SWS/ACD/2026-27/49

Dear Parent

Greetings from Smart Wonders School!

This is to inform you that Advanced Mathematics and Science Classes for the students of Class IX will be conducted on Saturday, 4th July 2026 from 8:00 a.m. -10:00 a.m.

Classes Schedule:

Period Timings	Class 9 A	Class 9 B
8:00 a.m.- 8:10 a.m	Attendance	Attendance
8:10 a.m - 9:00 a.m	Advanced Math	Advanced Science
9:00 a.m - 9:50 a.m	Advanced Science	Advanced Math
9:50 a.m -10:00 a.m.	Dispersal	Dispersal

Important Instructions:

- Students enrolled for the Advanced Mathematics and Science are required to attend both Mathematics and Science classes.
- If a student has not opted for one of the two subjects, they will remain in school during that period and complete a teacher-assigned worksheet based on the topic being taught.
- School buses will operate as usual in the morning. After the Advanced Classes, buses will depart from the school at 10:00 a.m. to drop students on their regular routes.
- Students attending Remedial Classes after the Advanced Programme will not avail the bus service at 10:00 a.m. They must be picked up by their parents/guardians from the school at 12:00 noon.

We request you to ensure your ward's punctual attendance and cooperation.

Warm Regards

Ruchika Sharma
Principal
