

LEARNER-LED CONFERENCE (LLC) CLASS 3

Saturday, 4th July 2026

SWS/ACD/2026-27/54

Dear Parent

Greetings from Smart Wonders School!

Guess what? A Learner-Led Conference (LLC) is coming up on **Saturday, 22nd August, 2026** Instead of teachers doing all the talking, our children are taking charge this time. It is going to be a very special meeting where they get to look you in the eye and show you all the wonderful milestones of their learning journey.

Our classrooms are transforming into interactive galleries! To help you understand how it works, what you can expect, and the super cool topics your child can choose from, we have uploaded a detailed presentation, "Learner Led Conference" on School pad. This presentation is uniquely created in the voice of our young learners of Class 3 to give you a true glimpse into their minds.

Please go through the presentation with your child, help them select their absolute favorite topic, and fill out the selection form latest by Monday, 6th July 2026:

Our children are ready to practice really hard, build their confidence, and truly own their growth. We look forward to your partnership in making this a memorable milestone!

Warm Regards
