Dear Parent

Greetings from Smart Wonders School!

As part of our ongoing commitment to tracking and supporting your child's academic progress and overall development, the school conducted quarterly subject reviews during the month of May. For students who missed their previously slotted reviews due to absence or unforeseen circumstances, a special **re-review** session has been scheduled.

Please note the details for the rescheduled reviews below:

- **Date:** Saturday, 11th July 2026
- **Timings:** During school hours (Please note: This will be a **working day** and a **bagless day** for students).
- **Attendance:** Since these reviews are crucial for assessing student progress, attendance is highly recommended.
- **Requirements:** Students must be dressed in their neat school uniform and carry their basic stationery.

Thank you for your continued cooperation and support.

Warm Regards

Ruchika Sharma
