

INTRODUCTION OF LEADERSHIP BADGES (CLASS COUNCIL) CLASSES UKG to VII

Thursday, 9th July 2026

SWS/ACD/2026-27/58

Dear Parent
Greetings from Smart Wonders School!

We are delighted to introduce **Leadership Badges** for all classes as part of our continuous efforts to motivate every child and nurture leadership qualities, responsibility, and self-discipline.

Each class will have **five Leadership Badge Holders**, who together will form the **Class Council**. These students will be entrusted with specific responsibilities to support their classmates and teachers while contributing to a positive and disciplined classroom environment.

How the Leadership Badge System Works:

- Leadership Badges will be awarded **roll number-wise** on a **monthly rotation**, ensuring that every child gets an equal opportunity to experience leadership and responsibility.
- At the end of each month, the badges and responsibilities will automatically be passed on to the next five roll numbers.
- During their tenure, it is **mandatory** for students to wear their Leadership Badge to school every day.
- Students are expected to take proper care of their badge, as it must be handed over to the next badge holder at the end of the month.

The Five Leadership Badges (Class Council) are:

- **Peer Leader** – Helps classmates with studies and school activities.
- **Line Leader** – Maintains discipline during assembly, lunch breaks, and while moving in lines.
- **Discipline Leader** – Encourages classroom discipline and appropriate behaviour.
- **Health & Nutrition Leader** – Promotes healthy eating habits, hygiene, and cleanliness.
- **Uniform Leader** – Ensures proper uniform, grooming, and overall neatness.

This initiative aims to develop confidence, responsibility, teamwork, leadership, and a sense of pride in serving the class community.

We seek your valuable support in encouraging your ward to:

- Wear the Leadership Badge every day during their assigned month.
- Take good care of the badge.
- Perform their responsibilities sincerely and responsibly.

Together, let us nurture the young leaders of tomorrow.

Warm Regards

Ruchika Sharma
Principal
