

LEARNER-LED CONFERENCE (LLC) CLASSES UKG TO 2

Friday, 10th July 2026

SWS/ACD/2026-27/59

Dear Parent
Greetings from Smart Wonders School!

We are delighted to announce our **Learner-Led Conference (LLC)**, tentatively scheduled for the **first week of October**.

What is Learner Led Conference?

A Learner-Led Conference is a meaningful celebration of learning where **children take ownership of their learning journey**. It provides every learner with **voice, choice, and ownership** by allowing them to select and present their learning experiences, projects, and achievements to their parents. Through this process, children reflect on what they have learnt, how they have grown and the goals they wish to achieve next.

The conference aims to nurture confidence, communication, self-reflection, responsibility, and independent thinking while strengthening the partnership between home and school.

Role of the Student

- Take ownership of their learning by selecting a topic, project or learning experience to present.
- Share their learning journey, achievements and reflections with confidence.
- Demonstrate creativity, understanding and communication skills.

Role of the Parent

- Help your child to select the topic of their interest.
- Listen attentively and encourage your child throughout the presentation.
- Celebrate your child's efforts, progress and achievements.
- Engage positively by asking thoughtful questions and appreciating their learning journey.

Role of the Teacher

- Facilitate and guide students in preparing for the conference.
- Provide opportunities for reflection, choice, and meaningful presentation.
- Support each learner in building confidence and showcasing their growth.

The detailed schedule and guidelines for the conference will be shared soon.

We look forward to your enthusiastic participation as we come together to celebrate our young learners and their inspiring journey of growth and learning.

Warm Regards

Ruchika
