The Story of my life

Challenges We Face In A Routine Classroom			
Common Behavioural Challenges	Engagement & Participation Barriers	Challenges in Meeting Varied Learning Needs	Instructional Flow & Time Management Issues
Disruptive talking	Reluctance to participate in discussions	Building the gap between high achievers and those struggling	Lessons going off track
Bullying	Lack ownership of learning	Unaided strategies to differentiate effectively	Time wasted on transitions
Not following the instructions	Only a few students dominate while others remain passive	Students with a weak foundation	Ability to complete the updates
Struggle in differentiated learning			Managing group work within limited time
Signs of boredom or stress			
Unmotivated
