

ANNUAL SPORTS DAY CLASSES UKG TO II

Wednesday, 30th September 2026

SWS/ACD/2026-27/111

Dear Parent

Greetings from Smart Wonders School!

We are excited to share that our young athletes are gearing up enthusiastically for the upcoming **Annual Sports Day**, scheduled to be held towards the end of October. As our students begin regular practice for races and drills, we seek your support in ensuring their well-being and energy levels.

Kindly keep the following in mind:

- Please ensure that your child has a nutritious and wholesome breakfast before coming to school to stay energised during practice.
- Send a cap/hat with your child to provide protection from the sun during outdoor practice.
- Pack healthy and nutritious tiffin to help your child remain active and energised throughout the day.
- Ensure your child carries a water bottle and stays well hydrated.

Let us work together to make the Sports Day journey a joyful, healthy and energetic experience for our young learners!

Warm Regards

**Ruchika Sharma
Principal**
