

PARENTS' WORKSHOP CLASS - UKG

Tuesday, 1st September 2026

SWS/ACD/2026-27/87

Dear Parent

Greetings from Smart Wonders School!

Children learn best not by being told, but by doing — exploring, questioning, experimenting and discovering answers for themselves. This simple idea, known as **Activity-Based Learning (ABL)**, lies at the heart of how we teach at Smart Wonders School.

To help you understand this approach and explore simple ways to encourage hands-on, experiential learning at home, we cordially invite you to a workshop for parents.

Learning by Doing: Understanding Activity-Based Learning

- **Date:** Saturday, 26th September 2026
- **Time:** 9:30 a.m. – 11:00 a.m.
- **Venue:** AV Hall (Basement), Smart Wonders School

Note: As this workshop lays the foundation for a shared, hands-on approach to your child's learning journey, attendance is mandatory for both the parents.

We look forward to your active participation and to partnering with you in making learning a joyful, hands-on experience for your child. To register, please scan the QR code included in the attached invite. **The Last date of registration is Tuesday, 15th September 2026.**

Warm Regards

Ruchika Sharma
Principal
