

PICKLEBALL COURT

Wednesday, 2nd September 2026

SWS/ACD/2026-27/90

Dear Parent

Greetings from Smart Wonders School!

We are delighted to announce the launch of our new Pickleball Court at Smart Wonders School!

In line with our commitment to holistic development and world-class infrastructure, we have added a dedicated, professionally marked Pickleball court to our sports arena. Pickleball, one of the fastest-growing sports globally, blends elements of tennis, badminton, and table tennis, making it excellent for building agility, reflexes, and teamwork.

To give our students the best exposure, the facility comes fully equipped with professional sports equipment suited for all age groups. Children will receive training from a qualified coach as part of the regular sports curriculum and will also have the opportunity to represent the school in Inter-School and CBSE competitions.

We are confident this exciting new addition will give our children another wonderful platform to stay fit, active, and competition-ready, while they enjoy learning this dynamic new sport.

Warm Regards

Ruchika Sharma
Principal
