

ANNUAL SHOW PRACTICE CLASSES – VI TO IX

Friday, 11th September 2026

SWS/ACD/2026-27/97

Dear Parent

Greetings from Smart Wonders School!

At Smart Wonders School, we believe that education extends beyond academics, providing students with opportunities to explore their talents and develop confidence through meaningful co-curricular experiences.

Annual Function is one such platform that encourages creativity, collaboration, self-expression and teamwork among students.

We are pleased to inform you that the **Annual Function for Classes VI–IX** is scheduled to be held on **Saturday, 10th October 2026**. In preparation for the event, **practice sessions will commence from Monday, 14th September 2026 onwards**.

To ensure a balanced approach towards **academics and Annual Function preparations**, a revised timetable has been planned. The **first half of the school day will continue with regular academic periods**, while the **second half will be dedicated to Annual Function practice sessions**.

The **revised timetable is being shared for your reference** and will come into effect from **14th September 2026**.

We look forward to your continued cooperation and support as we provide our students with an enriching experience while ensuring sustained focus on their academics.

Warm Regards

Ruchika Sharma
Principal
