Patriotic Fervour Every Student Can Make a Difference

Patriotism begins with the small choices we make every day. As students, we honour our nation not only by celebrating national festivals but also by being responsible, respectful, and compassionate citizens. Attending school with dedication, respecting our teachers, caring for public property, helping those in need, and keeping our surroundings clean are all acts of patriotism. By embracing unity, celebrating India's rich diversity, and striving for excellence in everything we do, we contribute to the progress of our nation. Every student has the power to bring about positive change through honesty, discipline, and kindness. Let us pledge to be responsible young citizens who uphold the values of our country and work together to build a brighter, stronger and more prosperous India.

"The future depends on what you do today."

~Mahatma Gandhi

Warm Regards

Threads of Love, Knots of Joy

Our young learners of Foundation Years celebrated the spirit of Raksha Bandhan through a joyful Rakhi Making Activity. Using decorative materials, children designed beautiful rakhis with great enthusiasm and creativity. The activity encouraged understanding of the special bond of love, care, and affection shared between siblings.

Story Telling

Spinning Tales, Sparking Imagination

Our Grade 2 learners joyfully participated in a storytelling activity based on “The Little Umbrella.” Through the story, they learnt the beautiful values of kindness, caring and sharing. To make the learning more creative and meaningful, the children also made their own little umbrellas using cutouts and decorated them with colourful designs. The activity encouraged their creativity while helping them understand that even a small act of kindness can bring happiness to others. It was a fun-filled and meaningful learning experience enjoyed by all the children.

Learner-LED Conference

Smart Wonders School successfully organized its Learner-Led Conference (LLC) for the students of Classes III and IV, giving voice, choice and ownership to its young learners.

Moving beyond traditional parents - teacher interactions, the Learner-Led Conference placed students in the spotlight. The children presented their learning journeys, demonstrated interactive subject concepts-ranging from EVS, English grammar and Mathematics to Hindi, Punjabi, and IT skills-and confidently articulated their achievements and reflections directly to their parents.

Parents actively participated by listening, asking questions, and writing inspiring feedback on the dedicated Reflection Wall set up for the occasion. The vibrant school environment reflected the hard work and enthusiasm of both students and educators, highlighting the school's commitment to fostering independent, confident, and articulate learners.

The conference concluded on a triumphant note, celebrating the collaborative partnership between parents, teachers, and students in nurturing the leaders of tomorrow.

Visit to Air Force Station

Students of Class VIII, Smart Wonders School, visited Air Force Station, 12 Wing, Chandigarh, on 22 August 2026 for an enriching and motivational exposure to the operations of the Indian Air Force.

The visit commenced with an informative presentation by IAF officers on the role and functions of 12 Wing, along with insights into the growing use of air intelligence and Artificial Intelligence in the Indian Air Force. The students were also introduced to Air Traffic Control (ATC) operations, gaining an understanding of how aircraft movements are monitored and managed safely and efficiently.

A major highlight of the visit was the students' interaction with some of the IAF's formidable aircraft. At 126 Helicopter Unit, they learned about the Chinook, a versatile heavy-lift helicopter used for transporting troops, equipment and supplies and supporting critical operational and humanitarian missions. The students also explored the C-17 Globemaster III and IL-76, heavy-lift transport aircraft capable of carrying troops, ammunition, vehicles and other vital military equipment across long distances.

The visit provided the students with a valuable insight into the technology, precision, preparedness and operational capabilities of the Indian Air Force, making it an inspiring and memorable learning experience.

A Fun-Filled Movie Show

Big screen, Big Smile, Bigger Fun

Students of Classes VI and VII of Smart Wonders School enjoyed a delightful movie outing on 22nd August 2026, where they watched the much-awaited movie Spider-Man: Brand New Day.

The outing offered students a refreshing break from their regular academic routine and gave them an opportunity to spend quality time with their classmates and teachers. The excitement was evident as the students settled into the theatre, eagerly looking forward to the action-packed adventure.

The movie kept everyone thoroughly engaged with its thrilling sequences, entertaining moments, and captivating storyline. The students enjoyed the experience immensely, sharing laughter, excitement, and memorable moments with their friends.

The outing was not only a source of recreation but also helped strengthen bonds among students in a cheerful and relaxed environment. With happy faces and wonderful memories to cherish, the movie outing turned out to be an enjoyable and memorable experience for everyone.

A Tapestry of Patriotism

Smart Wonders School, Sector 71, Mohali, celebrated India's 80th Independence Day with great patriotic spirit and enthusiasm. The Class X students presented an inspiring programme featuring thematic performances, a soulful rendition of Vande Mataram, patriotic presentations and a vibrant finale dance, highlighting the values of courage, sacrifice, unity and resilience.

A Moment of Pride at the Gillco Summit 2026

Our young achievers have once again brought immense glory to the school with their outstanding talent and dedication at the Gillco Summit 2026 (2nd Edition).

Key Accomplishments

- Tahaan Soni (Class III-A) secured the coveted 1st Prize in the Gillco's Got Talent event. Along with a merit certificate, Tahaan was awarded a cash prize of ₹4,000 for an exceptional dance performance that captivated the judges and audience alike.
- Samaira (Class V-A) was recognized with the prestigious Special Jury Award at the summit for her commendable performance, earning a certificate of appreciation and praise from the esteemed panel.

Both students received their awards on stage in the presence of distinguished guests, school leadership, and event organizers.

Achievements and Accolades

Ananya Srivastava (Grade X-A) showcased exceptional confidence, diplomacy, and critical thinking by earning an Honourable Mention at LPS G20, bringing pride to Smart Wonders School.

Dilsirat Kaur (Grade IX-B) brought immense pride to the school by winning the Gold Medal in Aerobic Gymnastics at the Manthan Cup, Delhi.

Manya (Grade X-A) secured a High Commendation at Oxford MUN, reflecting exceptional research, critical thinking, and public speaking skills.

Parth (Grade X-A) earned a Special Mention in the UNGA Committee at Oxford MUN, along with a Verbal Mention at LPS G20, for his remarkable performance in Model United Nations.

Sidak (Grade IX-A) was awarded a High Commendation in the Global Zombie Apocalypse Committee at Oxford MUN for outstanding performance.

Simrat Kaur of Smart Wonders School, along with Riddhima, won a Bronze Medal in Lawn Tennis, bringing pride to the school.

Inter-District Tournament 2026-27

Simrat Kaur and Sharlyn Kaur of Smart Wonders School brought pride to the school by securing 2nd position in the U-17 Lawn Tennis category at the Inter-District Tournament 2026-27, Mohali, representing Sohana District.

Smart Wonders School bagged Silver Medal in under 14 girls category in Zonal Football Tournament.

Ranvir Paul of Smart Wonders School has been awarded as an 'Emerging player' in Chandigarh football league under 8 year Boys category.
