Proud Wonderites

Fostering Lifelong Learners, Building Character
and Igniting Passion for Knowledge.

From The PRINCIPAL'S DESK

In today's rapidly evolving world, our students are learning to think creatively, act responsibly, and contribute positively to society. Through innovation, collaboration, and empathy, they are developing the skills needed to shape a better future. True leaders of change inspire others not only through words but through their actions, values and determination.

As educators, we take pride in nurturing young minds that are confident, compassionate, and driven to make a difference. Every initiative, achievement, and act of kindness reflects the spirit of leadership that our school strives to instill. May our students continue to rise as thoughtful leaders and change makers who lead the world with wisdom, integrity, and purpose.

Warm Regards

Principal

Ruchika Sharma

Hand Hygiene

A Simple Step, a Safer World

Foundation Years at SWS begins with a joyful Induction Day packed with activities

On the occasion of World Hand Hygiene Day, Grade II students took part in an exciting hand washing activity conducted in the school premises. The session focussed on teaching children the importance of washing hands before meals and after using the washroom. Students enjoyed learning the correct hand washing steps in a fun and interactive manner. The activity helped them understand the value of cleanliness and healthy living. It was an enriching experience that encouraged positive daily habits.

Summer Fest

Where Every Smile Sparkled!

Our little learners enjoyed a fun-filled Summer Fest before heading for their summer break. The day was specially planned to create joyful memories through a variety of engaging activities.

Students enthusiastically participated in the fire-less cooking activity, where they prepared tasty Monaco toppings with creativity and excitement. The children also enjoyed refreshing ice cream treats, exciting games, relaxing movie time and colouring activities.

Dressed in bright summer casuals and stylish shades, the young learners added extra sparkle to the festive atmosphere. The celebration was truly a wonderful blend of fun, laughter, creativity, and togetherness, making it a memorable day for all.

Strong Foundations, Respectful Hearts

School Celebrates Learning and Labour

Students presented a meaningful morning assembly on “Foundations of Learning and May Day”. Through thought, news, choir, poem and interesting facts, students highlighted the value of strong learning habits and dignity of labour. The assembly beautifully conveyed that every profession deserves respect. The school leadership appreciated the students’ efforts and encouraged them to build strong foundations for a better future.

Post Box

How Letters Begin their Journey

Students of class 4 presented the activity of writing and posting a letter. It helped them to understand the traditional method of communication and the importance of proper addressing and mailing procedures. This activity enhanced their writing and organizational skills.

The purpose of this activity was to understand the process of writing a letter and learn the steps involved in posting it.

The letter was folded neatly and placed in an envelope. The recipient's name and address were written on the center of the envelope. A stamp was affixed on the top-right corner of the envelope. The prepared letter was taken to the post box (prepared in school). Correctly addressing the

envelope is essential for the letter to reach the recipient. Posting a letter involves understanding the postal system and proper placement of the stamp.

Overall, the activity fostered a sense of independence and improved the students' confidence and skills.

Mother's Day Celebrations

Blush and Bloom

Smart Wonders School celebrated Mother's Day with great enthusiasm through its special event, "Blush and Bloom." The celebration brought together mothers for a memorable day filled with joy, creativity and togetherness.

The event featured an emotional video tribute to mothers, exciting one-minute games, Musical Tambola, and a captivating Ramp Walk based on the themes “Blush and Bloom” and “Sustainable Jewellery.” Mothers showcased confidence, elegance, and creativity while promoting sustainability.

Investiture Ceremony

Leaders in the Making

Smart Wonders School, Sector 71, SAS Nagar, hosted its Investiture Ceremony 2026–27 on 2nd May 2026 with grace and grandeur. The ceremony celebrated the spirit of leadership as the newly elected student council was entrusted with badges and responsibilities. The traditional lamp lighting, cultural presentation, oath-taking ceremony, flag handover and school anthem added dignity to the occasion. The school leadership congratulated the council members and encouraged them to lead with integrity, humility and commitment.

The Chief Guest, Col. Gaurav Chandra, inspired students to understand leadership as service and responsibility. The ceremony concluded with a vote of thanks and the National Anthem, marking a proud moment in the school's journey of nurturing confident and responsible young leaders.

Workshop

Creator's Corner: To nurture 21st-century skills, our school conducted a series of engaging workshops for students on different days. The Art & Creativity workshop was led by our proud alumni, Ms. Rabab who guided students through hands-on activities in sketching, upcycling, and creative expression, reigniting the joy of making.

Lead Lab: In a second session, Ms. Navya Mehta from the Young Founders Summit conducted an Entrepreneurship Skills workshop. Students explored idea generation, problem-solving, and the basics of pitching a startup through interactive games and real-world examples. Both workshops encouraged students to think innovatively, collaborate, and step beyond textbooks.

Science Week

Explore • Experiment • Excel

Science Week was organized for Classes 3–8 from 20 to 22 May to promote scientific thinking and curiosity. The event included a science movie screening, a Science Quiz and Scientific Toys Making activities. Through these engaging experiences, students explored scientific concepts, tested their knowledge and learned principles such as force, motion, balance and energy through hands-on activities.

Students participated with great enthusiasm and zeal, showcasing remarkable creativity, effective teamwork, and a strong spirit of scientific inquiry. Through a variety of engaging and hands-on activities, they explored concepts, developed critical thinking skills, and applied their learning in innovative ways. The Science Week was a resounding success, transforming learning into an enjoyable, interactive, and meaningful experience that fostered curiosity, inspired discovery, and nurtured a lifelong appreciation for science.

Achievers

Champions in the Making

Smart Wonders School proudly shares that Parth of Class 10 received a Special Commendation at Meraki MUN held at Amity University on 2 and 3 May 2026 for the committee Epstein Files. Model United Nations conferences go beyond debate; they nurture confidence, research skills, critical thinking, and the ability to express perspectives with clarity and responsibility.

Parth's achievement reflects dedication, thoughtful participation, and the spirit of intellectual curiosity that young learners carry with pride.

Smart Wonders School students showcased exceptional confidence, diplomacy, and leadership skills at the DPS Model United Nations (MUN) held on 9 and 10 May 2026. Competing among talented participants from various schools, the students brought laurels to the school through their remarkable performances.

Kasak of Class 8 was awarded the prestigious Best Delegate award for outstanding debating and negotiation skills. Ekasmeet of Class 8 received High Commendation for an impressive performance and thoughtful participation. Aarav and Divyakshi of Class 9 earned Special Mention awards for their commendable representation and articulate viewpoints during committee sessions. Adding another feather to the school's cap, Bir Pratap of Class 8 was recognised as the Best Photographer for capturing memorable moments of the event with creativity and excellence. The achievement reflects the students' dedication, critical thinking abilities and effective communication skills.

Academic Achievers

Smart Wonders School proudly celebrates the academic achievers of Classes VIII and IX for the session 2025–26. Students including Kaashvi Gupta, Nirvan Kaur Sidhu, Samaira Jain, Dev Nanda, Ashmeet Kaur, Sukhmeen Kaur, Gurkeerat Singh Narula, Yuvraj Singh Bhatia, Tavleen Kaur, Arshia Singla, Freya Chhabra, Vidhi Makhija, Partap Singh Tiwana, Guntaas Kaur Sidhu, and Manraj Singh have shown commendable dedication, consistency, and sincerity in academics. Their achievement reflects disciplined effort, focused learning, and a strong commitment to excellence. The school congratulates all the achievers and wishes them continued success in their academic journey.

Sports Achievers

Smart Wonders School proudly shares that Kudrat of Class 10 secured the First Position in the District Football Tournament. In sports, victories are never shaped by talent alone; they are built quietly through discipline, teamwork, resilience, and the willingness to keep showing up with commitment. This achievement reflects not just a win on the field, but the character and perseverance that young learners develop through sport.

Smart Wonders School proudly shares that Simrat of Class 10 secured the Second Position in the Punjab Inter-State School Games 2025–26 in Soft Tennis, representing SAS Nagar. Achievements in sport are not only measured through medals, but through the discipline, focus and resilience developed along the journey. Simrat's accomplishment reflects the spirit of dedication and perseverance that inspires young learners to grow with confidence both on and beyond the court.
