Dear Parent

Greetings from Smart Wonders School!

Our young learners are excited to welcome you into their classrooms and share their learning journey, achievements and joyful moments of learning with you at the upcoming **Learner-Led Conference**.

This special experience provides our students with an opportunity to take the lead, express themselves with confidence and proudly showcase what they have learnt and how they have grown.

We invite you to be a part of this beautiful experience as your child takes centre stage, shares their learning and proudly leads the way.

Let us celebrate not just what our students learn, but the confidence, curiosity and independence with which they learn.
