SMART WONDERS SCHOOL

Confident | Competent | Caring

PROUD WONDERITES!

IGNITING YOUNG MINDS, INSPIRING TOMORROW

2027-28

At Smart Wonders School, we empower children to become their best versions through engaging, imaginative, and values-driven education, nurturing them as confident, competent and caring individuals.

small WONDERS SCHOOL

A Mission for Transformation

"The mind is not a vessel to be filled, but a fire to be kindled."

~ Margaret Mead ~

At small Wonders, we believe that true education goes beyond textbooks and examinations — it is the art of shaping curious minds into confident, independent thinkers. The true purpose of learning lies in empowering each child to explore, question, and innovate.

Our constant endeavour is to provide a nurturing environment where every learner feels valued and inspired to reach their full potential. With gentle guidance and holistic development, we prepare our students not only to excel academically but also to stride into the world with dignity, confidence, and compassion — their heads held high and their hearts full of purpose.

SMART WONDERS SCHOOL

Confident, Competent & Caring

OUR JOURNEY

"The journey of a thousand miles begins with a single step."

~ Lao Tzu ~

The journey of Smart Wonders School began in 2005 with a heartfelt vision - to create a learning space where every child feels valued, inspired, and empowered. What started as small Wonders School in Phase 7, Mohali, soon grew into a vibrant institution of excellence, offering education that blends tradition with innovation. Since receiving CBSE affiliation in 2015, Smart Wonders has continually redefined the standards of learning. Our motto, 'Confident, Competent & Caring,' encapsulates our belief in shaping individuals who not only achieve but also contribute meaningfully to society.

Over the years, we have cultivated a community of learners and educators who believe in the power of curiosity, collaboration, and compassion. Each milestone we achieve reflects our unwavering commitment to holistic growth and lifelong learning.

FROM THE PRINCIPAL'S DESK

"Children must be taught how to think."

~Margaret Mead~

These words truly resonate with my vision and dream of creating a learning space that inspires and nurtures individuality. At Smart Wonders School, our motto beautifully reflects this desire to foster the growth of every child in body, mind and spirit, shaping them into Confident, Competent and Caring individuals.

Smart Wonders School is not just an institution; it is a vibrant, welcoming community where every child is valued, respected, and celebrated. The bright smiles and eager eyes of our students bring immense joy – and with that joy comes a deep sense of responsibility for me and every member of my team.

We live in a world that is evolving faster than ever before, where the future transforms each day. In such times of constant change, education must be dynamic and forward-thinking. At Smart Wonders School, we continuously redefine our teaching methodologies, striving to balance intellectual growth with emotional and ethical development. Our comprehensive curriculum is designed to nurture well-rounded individuals – those who can think critically, collaborate effectively, and lead with creativity, compassion and confidence.

WAY FORWARD - VISION 2030

As we also look ahead to Vision 2030, our roadmap for preparing every child to thrive in the world of tomorrow.

2027-28

- STREAM & SPACE LABS
- ROBOTICS & AI CODING
- INDUSTRY EXPOSURE
- INCLUSIVE ECO SYSTEM EXPANSION

2028-29

- ENTREPRENEURSHIP PROGRAMS & VENTURES
- BOOTCAMPS & STARTUP

2029-30

- GLOBAL COLLABORATION FOR STUDENT EXCHANGE PROGRAMS
- MULTILINGUAL PROFICIENCY DEVELOPMENT

From the Academic Session 2027–28, we will introduce a STREAM curriculum (Science, Technology, Reading, Engineering, Arts and Mathematics), with Robotics, AI and Coding, and industry exposure as integral parts of our inclusive learning ecosystem.

By 2029, we will nurture an entrepreneurial mindset through bootcamps and student-led ventures.

By 2030, every student at Smart Wonders School will graduate with a portfolio of real-world projects that shows their ability to apply knowledge, solve problems and make a meaningful impact through their learning. Achieving Vision 2030 will be a shared journey.

My door remains open to every student, parent and teacher, because meaningful dialogue helps us understand, grow and create positive change for our learners.

Ruchika Sharma
Principal

Why Smart Wonders School ?

"Excellence is not an act, but a habit." ~Aristotle~

Choosing Smart Wonders means embracing excellence - academically, emotionally and ethically - while fostering well-rounded individuals. We take pride in being a school that offers much more than lessons; we offer life experiences that shape character, confidence and curiosity. Our holistic education framework is designed to integrate academics with arts, sports, technology and social responsibility. Through a blend of experiential learning, innovative teaching practices and a caring community, we empower each student to explore their unique path to success. Our consistent record of 100% CBSE Board results stands as a reflection of our unwavering dedication to quality education. But beyond marks, we measure success in the smiles, self-belief and compassion of our learners.

Our Educational Philosophy : At Smart Wonders School, our educational philosophy is rooted in the belief that true learning extends beyond textbooks. We strive to create a perfect balance between scholastic and co-scholastic activities, ensuring the holistic development of every child - intellectually, emotionally, socially, and physically. Our aim is to build a child-centric learning environment that blends the wisdom of time-tested traditional methods with the innovation of modern educational practices and resources. This fusion of heritage and progress enables our learners to stay grounded while embracing change with confidence.

By thoughtfully integrating the curriculum with real-life experiences, we endeavour to make learning meaningful, engaging, and relevant. In doing so, we aspire to nurture a community of joyful learners, compassionate individuals, and future-ready leaders who are equipped to make a positive impact on the world.

Proud Moments at Smart Wonders School : At Smart Wonders School, we take pride in nurturing excellence across academics and co-curricular domains. Our students consistently bring laurels to the school through their dedication, talent, and hard work. Since joining the CBSE fold, the school has proudly maintained a 100% pass record in the Class X Board Examinations, with many students achieving perfect scores in subjects like English, Mathematics, Science, Social Science, Hindi and Punjabi. Beyond academics, our learners have also excelled in numerous inter-school events, winning accolades and making the school proud at every step.

Infrastructure at SWS : The school campus is an architectural marvel. Nestled in the residential area of Sector 71 Mohali, the institute is a safe and welcoming space. The ambience of the school promises to nurture each child's aesthetic and creative horizons. We have spacious air-conditioned Smart Classrooms, Computer Lab, Science and Math Lab, High Tech Robotics Lab. Audio-Visual Hall, Amphitheatre, Dance Room, Library, Fine Arts Studio, Yoga Indoor Sports Room, Indoor Play Station, Multipurpose Hall, Swimming Pool, Pickleball, Spacious Playgrounds as well as Sports Courts and Multicuisine Cafeteria.

Empowering Educators at SWS. : The strength of SWS lies in its highly qualified and trained faculty. Selected through a stringent process, our teachers undergo regular professional development and CBSE capacity-building programs to stay at the forefront of educational practices. With a child-centric and sensitive approach, they guide and support every learner according to their individual needs.

Inspiring Learners at Smart Wonders School : We believe that children learn best by doing. Our curated student workshops provide immersive, real-world learning experiences. From creative art workshops and STREAM explorations to mindfulness, leadership and environmental awareness sessions, each workshop is designed to ignite imagination, foster critical thinking and help every child discover their true potential.

Field Trips and Outreach Programs : At SWS, we believe that learning extends beyond the classroom. Educational trips leave a lasting impact on young minds, offering students an opportunity to explore, learn and grow in the company of their peers and teachers, away from the comfort of their families. These experiences foster independence, responsibility, and self-confidence while making learning enjoyable. Our trips are thoughtfully curated to be both educational and entertaining. Smart Wonders School organizes day trips, field trips, treks and educational tours for all students, from juniors to seniors, every year. It is an eagerly awaited experience for both students and teachers alike.

Grand Celebrations & Stage Showcases : The Annual Production and Class Shows are a grand celebration of talent, learning and achievement at SWS. They provide a vibrant platform for our students to showcase their skills, creativity and confidence. From mesmerizing dance performances, theatrical plays and soulful musical renditions to eloquent speeches, the event brings the entire school community together in a joyful and informal setting. It is also an occasion to felicitate our achievers for their outstanding accomplishments during the academic year. At SWS, we ensure 100% participation, with every child given an opportunity to perform based on their talent and interest. This much-awaited event is cherished by children and parents alike.

REPORT OF CLASS X BOARD RESULT RELEASED BY CBSE IN 2025

STATE TOPPER IN SCHOOL AVERAGE

CURRICULUM AT SWS - HOLISTIC 360°

Nurturing Every Dimension, Empowering Every Child

The curriculum at Smart Wonders School is dynamically aligned with the National Education Policy (NEP) 2020. It aims to ignite curiosity, promote independent learning, and equip students with essential skills to succeed in life.

Following the CBSE curriculum, our approach is research-based, structured and tailored to the developmental needs of each age group.

- **Foundation Years (UKG–Class 2) :** Focus on experiential and activity-based learning that encourages exploration and discovery.
- **Primary Years (Classes 3–5) :** Emphasize hands-on learning, subject integration, and independent expression.
- **Senior Wing (Classes 6–10) :** Prepare students for practical application of concepts, academic rigor, and success in board examinations and future careers.

The SWS curriculum promotes three aspects of achievement in the student :

- The ability to express their ideas verbally and in written expression.
- The ability to apply knowledge for analysing and problem solving, as well as creating new ideas.
- The development of personal and social skills, such as introspection, confidence, competence, empathetic attitude, reflection, cooperation, coordination as well as leadership.

The curriculum encourages integration of subjects and experiential learning. The students get numerous opportunities to explore, experiment, observe and experience various concepts and skills in school. These active learning strategies provide ample opportunities to the children to learn concepts at their own pace .

SWS ACADEMIC PROGRAMME

JUNIOR WING

Class UKG-V

Foundation Years

Class UKG-II

At Smart Wonders School, the Foundation Years programme is designed to provide a joyful, engaging and enriching learning environment where young learners develop strong academic foundations, essential life skills, creativity, confidence and independence. The curriculum is thoughtfully designed to inspire young learners to explore, question and think independently, nurturing holistic development across six key domains: **language, numeracy, cognitive, physical, creative, and social-emotional development.**

Our practices focus on holistic development through experiential, play-based, inquiry-driven and child-centric learning.

Wonder Time: Children explore experiment and discover through engaging activities that nurture curiosity, creativity and independent thinking.

Kitchen X: Children explore kitchen tools and equipment while learning essential kitchen hygiene, safety practices through hands-on experiences.

Theatre: Children explore the world of drama through role-play and imaginative performances while developing creativity, self-expression.

Circle Time: Children share thoughts, express emotions and engage in meaningful conversations, building empathy, confidence and communication skills.

Life Skills : Children practise everyday skills such as personal hygiene, self-care, organising belongings, table manners, collaboration and responsible behaviour.

Story Time : Children listen, imagine and express themselves through stories, developing vocabulary, comprehension and a love for reading.

Reading Programme (DEAR)

Children develop phonemic awareness, decoding, reading fluency, vocabulary and comprehension through a structured reading journey.

WHERE YOUNG MINDS FLOURISH

Primary Wing : III-V

"Be the best version of yourself – in and beyond the classroom."

The Primary years are when curiosity comes alive and the foundations of learning are laid. In line with the National Education Policy (NEP) 2020, our curriculum offers joyful, hands-on and integrated learning that supports the all-round development of every child.

We nurture curious, creative and confident learners through a balance of academics and co-curricular activities. Alongside strong skills in literacy, numeracy and ICT, children explore Art, Music and Dance as ways to express themselves and innovate. Our competency-based approach moves beyond rote learning and helps students apply what they learn to real life. They also build the communication, collaboration, critical thinking and problem-solving skills the 21st century demands.

Following NEP 2020's three-language formula, students learn English, Hindi and Punjabi, and French is offered as an additional language to build global and cultural awareness. Environmental Studies (EVS) brings together early science and social studies. It encourages children to explore the world around them and care for the environment.

Values are part of everyday learning. Through discussions and activities, children develop empathy, respect, a sense of equality and social responsibility, along with emotional intelligence and good citizenship. Regular counselling sessions support their well-being and prepare them to move confidently into middle school. We encourage every child to compete only with themselves and to value progress over perfection.

Signature Programmes

- **Class Council :** Class V students serve as prefects, taking on early responsibility for leadership and guiding their peers.
- **Leadership Programme :** Every child wears a responsibility badge, such as Line Leader, Peer Leader, or Monitor for discipline, uniform, health or nutrition.
- **Learner-Led Conference (LLC) :** Students present their own progress and take ownership of their learning journey.
- **Structured Reading Programme :** ·Class-wise novels and dedicated weekly reading periods build a lifelong love of literature.
- **DEED (Debate, Elocution, Extempore, Drama) :** A weekly classroom feature that builds confidence, public speaking and creative expression.
- **Environment Conscious Programme (ECP) :** Extends EVS through hands-on exploration and a deeper connection with nature.
- **Computational Thinking :** Dedicated classes alongside Mathematics develop logic, problem-solving and early algorithmic thinking.
- **Research and Referral Programme :** Classes IV and V learn to be young researchers through guided inquiry, sharpening their analytical and observational skills.

SWS ACADEMIC PROGRAMME

SHAPING FUTURE-READY LEARNERS

Senior Wing : VI–X

The Senior Wing builds on strong academic foundations and adds skills, values, technology and hands-on learning, preparing students for the challenges ahead.

Core Learning

» **Technology-Enabled Classrooms :** Smart boards, digital resources, presentations and research tasks make lessons interactive and engaging.

» **Holistic Curriculum :** A balanced mix of academic subjects, languages, physical education, visual and performing arts, IT and skill-based learning.

» **Experiential and Competency-Based Learning :** Inquiry, projects, collaboration and hands-on activities help students apply what they learn.

» **Skill Education :** Courses in Financial Literacy, Artificial Intelligence, Marketing, Coding and Entrepreneurship prepare students for real-world challenges.

Beyond the Books

» **Skillpreneur Programme :** Builds creativity, entrepreneurial thinking, innovation, teamwork and financial awareness.

» **Sustainability and Kaushal Bodh :** In the spirit of NEP 2020 and Kaushal Bodh, students develop practical life skills, environmental awareness and responsible decision-making.

» **DEED Programme :** Strengthens English listening, speaking, reading and writing (LSRW) skills through debates, elocution, role plays and discussions, building confidence and self-expression.

» **Computational Thinking :** Age-appropriate activities develop logical reasoning, pattern recognition, problem-solving and algorithmic thinking.

» **Advanced Science and Mathematics :** Deepens conceptual understanding, analytical thinking and scientific inquiry through higher-order problem-solving.

» **Shri Abhivyakti Programme (MUN) :** Designed for Class VI, this programme builds public speaking, communication and confidence, and lays the groundwork for future Model United Nations Conferences.

LEARNER LED CONFERENCE

A Learner-Led Conference (LLC) is a special platform where children take the lead in sharing their learning journey with their parents. Guided by the philosophy of Voice, Choice and Ownership, each child presents a topic of their choice, showcasing their understanding, creativity and knowledge. The experience provides young learners with an opportunity to demonstrate their learning while nurturing confidence, communication skills, independence, and a sense of pride in their accomplishments.

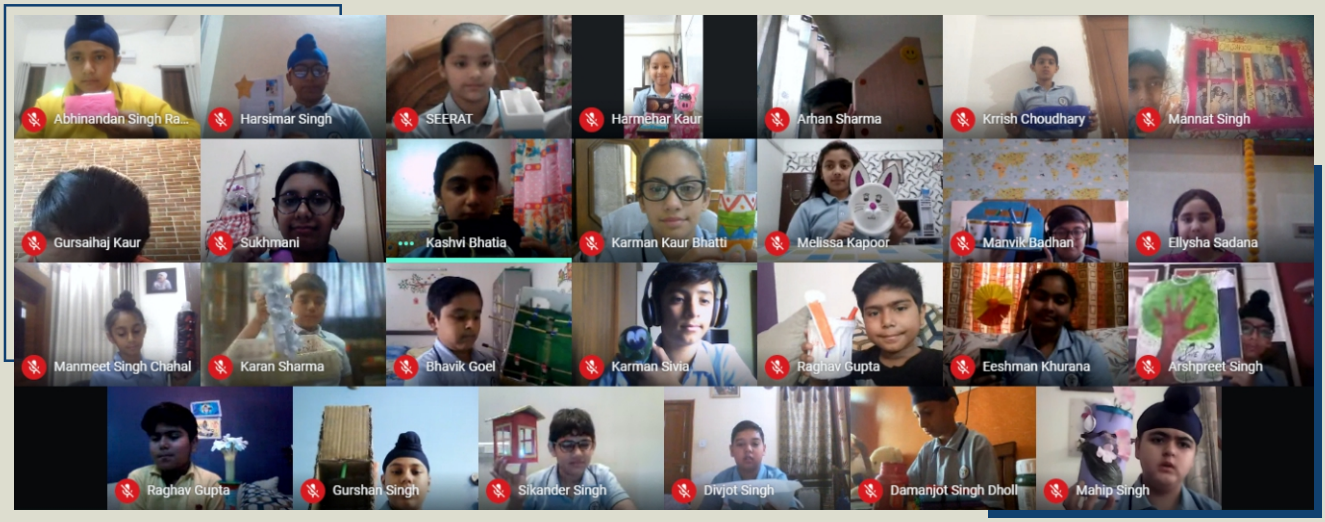

HYBRID LEARNING

LEARNING TOGETHER, EVEN WHEN WE WERE APART

Our hybrid classrooms combine in-person and online learning through the latest digital technology, making education flexible, engaging and accessible to all. Teachers use AI-enabled tools and innovative methods to personalise learning for every student. Students are encouraged to explore, ask questions, create and apply what they learn to real-world challenges. Our aim goes beyond teaching technology: we nurture thoughtful, responsible and confident learners, ready to innovate and thrive in an AI-driven, connected world.

SWS ENRICHMENT PROGRAMME

At Smart Wonders School, learning goes far beyond the classroom! The SWS Enrichment Programme offers a vibrant array of activities that inspire students to explore their passions, showcase their creativity, and discover their true potential.

Designed to nurture talent and confidence, the programme seamlessly blends academics with co-curricular excellence. It includes Enrichment Clubs, Inter-House Competitions, Inter-School Events, and specialized platforms such as the Morning and Evening Sports Academies - ensuring every Wonderite finds their spark!

Western Dance

School Band

Sketching and Painting

Pickleball

Basketball

Football

SWS ENRICHMENT CLUBS

Discover. Create. Shine.

We at SWS believe that every child is gifted in their own unique way. Our Enrichment Clubs provide the perfect platform for students to pursue their interests, develop new skills, and express themselves with creativity and confidence. Students can choose from a wide range of exciting activities including:

Pickleball, Football, Basketball, Chess, Table Tennis, Taekwondo, Yoga, Karate, Contemporary Dance Forms, Punjabi Folk Dance, Instrumental & Vocal Music, Painting, Art Factory, Computer Designing, 3D Designing, Cook & Serve, Theatre, Public Speaking & Debate Club, Media, Entrepreneurship Club and School Band which is the symphony studio, where music is refined into resonance. Every club is a journey of discovery - where imagination meets action and learning becomes a joyful experience!

Table Tennis

Chess

Yoga

Taekwondo

Instrumental Music

Punjabi Folk Dance

Theatre

THE STUDENT COUNCIL

Elected each year, the student council gives learners a democratic platform to express ideas, make decisions, and contribute to school culture. It's where leadership begins - in empathy, in teamwork, and in service. Every competition, every applause, every small achievement adds to a greater goal - nurturing confident, competent and caring global citizens.

Leadership begins with listening, grows with responsibility, and shines through action.

SWS CONFLUENCE : INTER-SCHOOL COMPETITION

Architects of Tomorrow- Designing Futures, Inspiring Generations

SWS Confluence is the flagship event under which Smart Wonders School hosts its annual inter-school competition. The theme for SWS Confluence 2026 was 'Architects of Tomorrow' where students from premium schools of the tricity enthusiastically participated in well curated competitions based on Designing Futures, Inspiring Generations!

INTER HOUSE COMPETITION

At Smart Wonders School, every student from Classes III-X is placed in one of the four houses of the school; Aspen, Maple, Cedar and Oak. Each of these houses has its own inspiring motto. The prime objective of these houses is to inculcate among the pupils a sense of collective responsibility and solidarity, a sense of team spirit and to encourage healthy competition. Each House is under the charge of a House Mistress & a Deputy House Mistress along with House Captains and Prefects who shoulder the responsibility to ensure the smooth and efficient functioning of the Houses.

MORNING AND EVENING SPORTS PROGRAMME

"There is no way around the hard work. Embrace it. You have to put in the hours because there is always something you can improve."

~ Roger Federer ~

In line with the school's motto "to build competent young adults of the future," Smart Wonders School takes pride in nurturing athletic talent through both its **Morning and Evening Sports Programmes.**

Launched in 2019, the Evening Sports Programme was established with the vision of promoting a culture of sports and fitness beyond regular school hours. It offers the perfect platform for our Wonderites - as well as children from the neighbourhood - to receive professional coaching in Swimming, Skating, Basketball & Football.

Under the guidance of experienced sports instructors and with access to the school's state-of-the-art sports infrastructure, students are encouraged to strengthen their skills, enhance endurance, and develop discipline and the spirit of true sportsmanship.

INFRASTRUCTURE & FACILITIES

Smart Classrooms

Our spacious, air-conditioned Smart Classrooms feature interactive Smart Boards and digital tools that make learning engaging and enjoyable. They encourage collaboration, creativity and critical thinking, helping students explore ideas beyond textbooks.

Well-maintained classrooms with individual cubby holes keep learning materials organised, creating a welcoming environment that encourages active participation and meaningful learning.

Robotics & AI Lab

Welcome to the world of future technologies! Our well-equipped Robotics Lab provides students hands-on exposure to coding, AI and automation. Here, children learn to build, program and innovate, developing critical thinking, creativity and problem-solving skills for the world of tomorrow.

Computer Lab

At Smart Wonders School, technology is part of everyday learning. Our well-equipped Computer Labs give students hands-on experience that builds essential digital skills:

- **Digital Basics :** basic computer operations, MS Paint and Scratch in the junior classes.
- **Office Skills :** MS Office applications.
- **Graphic Design :** Canva and other design tools.
- **Website Creation :** building websites with HTML and CSS.
- **Coding :** logical thinking and coding with Python

These experiences help Wonderites explore, innovate and use technology meaningfully.

Mathematics Lab

Our interactive Mathematics Lab transforms formulas into fun-filled learning through models, activities and real-life applications. It helps students visualize concepts, sharpen logical thinking and build confidence in problem-solving.

Audio Visual Hall

The Audio Visual Hall is the hub of creativity and expression at Smart Wonders School. This spacious, air-conditioned hall is equipped with a state-of-the-art sound and lighting system, creating the perfect ambience for a variety of events.

From assemblies, competitions, and workshops to theatrical performances and interactive sessions, the AV Hall provides an inspiring platform where students showcase their talents, build confidence, and celebrate learning in its most dynamic form.

Indoor PlayStation

For Foundation Years : The PlayStation at Smart Wonders is where learning begins with play. It is a safe, joyful space where our youngest learners climb, slide, jump and explore. Every corner is designed to build motor skills, balance, confidence and social bonding, while children simply think they are having fun.

Composite Lab

The Composite Lab at Smart Wonders School is a dynamic space where curiosity meets discovery. Designed to foster hands-on learning, exploration, and collaboration, it provides students with opportunities to experiment, observe, and innovate.

Equipped with manipulatives and apparatus for Mathematics and Science, the lab encourages students to learn through experience - transforming theoretical concepts into meaningful understanding.

Dance Studio

The Dance Studio at Smart Wonders School is a beautifully designed space that celebrates rhythm, movement, and expression. Under the guidance of skilled dance instructors, students learn the art and discipline of dance while developing confidence, coordination, and creativity.

The spacious, well-equipped studio provides an inspiring environment for students to experience and appreciate a wide spectrum of dance forms - from folk and classical to modern and contemporary, helping them express emotions and stories through movement.

Learning Resource Centre

We believe that learning extends far beyond the classroom walls. Our school library, a treasure trove of knowledge and imagination, is designed to inspire a love for reading and exploration in our students. With a vast collection of over 8,300 books, our library offers a diverse range of fiction, non-fiction, and reference titles to cater to the interests and curiosity of our students. Our Resource Centre is a hub of learning, where students can discover, explore, and grow, fostering a lifelong love for learning and discovery.

Yoga & Wellness Studio

We believe in nurturing the whole child - body, mind, and spirit. Our Yoga and Wellness Studio provides a serene and supportive environment for students to cultivate physical, emotional, and mental well-being. With expert guidance, our yoga and wellness programs help students develop self-awareness, balance, and inner peace, empowering them to thrive in all aspects of life.

Artistry Studio

Einstein said, "Logic will take you from A to B. Imagination will take you everywhere". The Fine Arts studio in SWS is a place where the imagination and creativity of the child is nurtured. Each child is an artist who paints and colours in an environment that is motivating, supportive, non-judgemental and full of creativity.

Electric Echoes

Electric echoes our school band, a dynamic ensemble that showcases the incredible musical talent of our students! With a diverse range of instruments and a passion for performance, our band has quickly become a highlight of school events and functions. From energetic rock performances to soulful melodies, our band members are taking the stage by storm, earning accolades and applause from audiences alike.

AMPHITHEATRE

Just like the Romans, SWS has a large open air auditorium which is used for outdoor performances, concerts, interactions, competitions and programmes.

MULTI PURPOSE HALL

Our Multi-Purpose Hall is a hub of energy and talent. Equipped with audio-visual facilities, it serves as a platform for performing arts, public speaking, yoga, indoor games, and interactive learning sessions - nurturing confidence, teamwork and holistic development.

SAFE, HEALTHY & INCLUSIVE CAMPUS

» **24×7 CCTV Surveillance:** Complete CCTV coverage across the campus and school buses ensures continuous monitoring and enhanced safety.

» **24 Hour Power back** up for uninterrupted studies.

» **Lift Facility:** Lift access for convenient movement between floors, ensuring greater accessibility for everyone.

» **Wheel chair-Friendly Ramps:** Easy and safe movement across campus for students and visitors with mobility challenges.

» **Medical Support:** A full-time nurse on campus, along with a medical tie-up with Livasa Hospital, Mohali, ensures prompt medical attention.

» **Regular Safety Drills:** Periodic fire safety, emergency evacuation and other preparedness drills.

» **Safe Drinking Water:** Clean and safe drinking water facilities across the campus.

» **Hygienic Restrooms:** Regularly sanitized and well-maintained washrooms to ensure student hygiene.

» **Cafeteria :** The school campus has a canteen that provides healthy and nutritious food at reasonable rates to the students and staff members...

Safe & Secure Transport`

» GPS/GPRS-enabled buses with mobile communication facilities, covering Chandigarh, Mohali and Kharar.

» CCTV surveillance in all school buses for enhanced student safety.

» A female attendant and a conductor accompany students on every bus.

» Dedicated transport assistance for parents.

Transport Helpline: +91 9914435122

STUDENT COUNSELLING CELL

» A full-time School Counsellor provides emotional guidance and support, helping students build confidence, develop a positive self-image and navigate the challenges of growing up.

» **Special Educator Support:** A dedicated Special Educator ensures individual attention and support for students with diverse learning needs.

» **Inclusive Campus Design:** Facilities designed to promote independence, comfort and equal access for all students.

PARENT COMMUNICATION

WEBSITE & SOCIAL MEDIA

- Parents can find all the comprehensive information related to the school at

Website:
http://smartwonderschool.com.
Facebook:

The admission form, e-calendar, School's Newsletter, pictures and videos of all the activities conducted in school can be checked on the school website.

SCHOOL APP

- School App is a mobile application which gives quick access to the daily homework, attendance record, weekly or monthly notes, monthly newsletter, messages, important circulars, fee challan and PTM feedback, etc. At the click of a button, parents can also make the fee payment using this app. School App provides a clear and defined platform for the parents and the school to exchange important information.

SCHOOL'S NEWSLETTER (PANORAMA)

- At SWS, we provide every student the opportunity to showcase their skills, creativity and ensure that these achievements along with all the interesting classroom activities and school events are published in our monthly School's Newsletter.

REGULAR SCHOOL TIMINGS

Summer	Winter
Class UKG-1- 8.00 am - 1.30 pm	Class UKG-1- 8.30 am - 2.00 pm
Class II-X - 8.00 am - 3.00 pm	Class II-X - 8.30 am - 3.30 pm

SCHOOL RULES & REGULATIONS

Students must come neatly dressed in their complete school uniform daily.

Students must carry their almanac and wear the ID card to school every day .

Students are expected to reach the school at least 5 minutes before the starting time every day. Latecomers will not be allowed to enter.

If a pupil needs to go back home urgently for any emergency during school hours, there should be a written note from the parent bearing the signature, only then the child will be handed over. Functions and outstation trips will not be treated as emergencies. The child will only be allowed to leave with the permission of the Principal.

Medical leave will only be granted by the Principal on the provision of a medical certificate by a medical practitioner.

Leave will be sanctioned only when applied on the Leave Application Form provided in the School Almanac.

A child suffering from a contagious illness will not be permitted to attend school, even on examination/assessment days.

Chicken Pox – Till complete falling of scabs. Cholera – Till the child is completely well. Measles – Two weeks after the rash disappears. Mumps – Until the swelling has gone. Whooping cough – Six weeks.

In case of illness, the child should not be sent to school at all, even on assessment days.

No review or examination date will be changed even if a child is absent on medical grounds.

In all the official correspondence with the school, full name of the child, as well as the class and admission number should be mentioned.

Parents may meet the Academic Coordinator on any working Saturdays between 12.30 p.m. and 1.30 p.m., with a prior appointment.

For meetings on working days after school hours, parents are requested to send a note in the school diary seeking an appointment with the Academic Coordinator.

Birthday Celebration (UKG onwards)

We prefer to keep the birthday celebration simple to avoid any disparity or over indulgence. Parents are requested to send only 2 candies per child. Students of Classes 3 to 10 are expected to wear proper school uniform to school on birthdays.

General Rules

Students are not permitted to bring objectionable material to school such as magazines, video games, mobile phones, electronic gadgets, sharp objects and smart watches etc.

Students are not permitted to wear ornaments, expensive wrist watches, apply henna, nail paint, wear fancy clips & hair bands.

Girls with ear piercing will wear only small studs.

Students should carry their tiffin and other articles required in school. The school staff shall not accept any item sent later during working hours due to security reasons.

Students of Classes UKG- 5 are not allowed to carry money to buy food from the school Cafeteria. They need to get coupons that are to be bought by parents from the canteen.

Ours is an environment-friendly school, therefore, polythene bags are not allowed on the campus. Please provide a cloth/jute bag to your child to carry his/her belongings.

- Prior appointment is required for meeting the Principal, however, in case of an urgent issue, one can take the help of the Front Desk for immediate action.
- All correspondence must be addressed to the Principal.
- Circulars carrying school programmes, schedules, school news and other important information will be frequently sent to parents and guardians with their wards as well as through the school App. It is imperative that these circulars are read carefully, and the acknowledgment slip signed (where needed) and sent to the class teacher.

REGISTRATION & ADMISSION PROCESS

ADMISSION FORM IS AVAILABLE ONLINE ON THE WEBSITE AS WELL AS AT THE FRONT DESK IN THE SCHOOL

Thank you for your interest in seeking admission for your ward in Smart Wonders School for the academic year 2027-28.

If any parent wants to admit their child in Smart Wonders School, they need to share the child's details like child's name, father's name, DOB, class in which admission is sought, address, contact details, email ID and the name of last school attended by the child at the school's official email ID: **official@smartwonderschool.com**

Once the enquiry is received on mail or call, the Admission Coordinator will contact the parent to fix an appointment to visit the school.

- The parent is required to fill the admission enquiry form.
- Based on the class in which admission is sought, the child's interaction or assessment will be conducted by the Coordinator/ Vice Principal.
- The parent will be given a tour of the school by the Admission Coordinator.
- The Admission Coordinator will share the assessment result on the following day with the parent and get the admission form filled.
- The following documents are required for the admission form:
  - 4 Latest Passport size photographs of the child, 2 each of both the parents, and 2 of the guardian (optional).
  - A copy of Birth Certificate of the child (Self Attested).
  - Transfer Certificate (Original).
  - Tehsildar's Certificate : for Scheduled Castes, Scheduled Tribes or Backward Communities.
  - Copy of the Report Card of the last school attended.
  - A copy of the student's and parents' Aadhaar cards (Self Attested).
  - In case of an NRI student, a copy of the passport (Self Attested).
